Updates the definition of "gross retail income" to coincide with the definition of "sales price". Requires the use tax to be paid at the time of registering a watercraft that is a United States Coast Guard documented vessel. Requires new retail merchants to file returns and remit sales tax electronically. Provides relief for retail merchants if there is a change in the sales and use tax rate. Makes permanent the sourcing rule for floral deliveries providing that a sale is sourced to the location of the florist where the order originated when the sale involves one florist taking an order and transferring the order to another florist for delivery to the final recipient. Provides that the sale of Internet access service or certain ancillary service telecommunication services are sourced to the customer's place of primary use. Provides that an inheritance tax lien terminates on the earlier of: (1) the date the inheritance tax is paid; (2) when certain affidavits are filed specifying that no tax is due; or (3) ten years (rather than five years, under current law) after the date of the decedent's death. permit to be used by unregistered off-road vehicles to move from and to a quarry for the purpose of repair. Requires the department of state revenue (department) to post on the department's web site the name of every registered retail merchant that has not renewed its retail merchant certificate or whose certificate has been revoked. Provides that an Australian real estate investment trust or a listed property trust will not be included in the add back to adjusted gross income as a captive REIT. Adds a definition of "pass through entity". Provides that income from a pass through entity shall be characterized in a manner consistent with the income's characterization for federal income tax purposes and attributed to Indiana as if the entity that received the income had directly engaged in the income producing activity. For purposes of the tax credit for contributions to the college choice 529 education savings plan: (1) defines "contribution" to exclude rollovers from other 529 savings plans; and (2) excludes value added to the account through earnings of bonus points. Specifies that only the account owner or the account owner's spouse is eligible to claim the credit. Provides that the credit may not exceed the taxpayer's net contributions to the college choice 529 education savings plan during the taxable year. Provides that the ability to opt out of electronic filing when using a paid tax preparer is available only to a taxpayer who claims the additional exemption for the elderly or who has opted out of participating in federal Social Security programs because of religious beliefs. Requires all new withholding tax registrants to file returns and remit the withholding taxes electronically through the department's online tax filing program. Provides that for winnings that exceed \$1,200 on gambling games at racetracks, the operator is required to withhold adjusted gross income tax from the winnings. Amends the county adjusted gross income tax, county option income tax, and county economic development income tax statutes to provide that the budget agency (rather than the department) certifies the revenue distribution to counties. Requires the department to provide relief under the gasoline tax statutes where a shipment of gasoline is legitimately diverted from the represented destination state after the shipping paper has been issued by the terminal operator or where the terminal operator failed to cause proper information to be printed on the shipping paper. Repeals the requirement that a person must obtain an import verification number in certain circumstances to import special fuel into Indiana. Specifies that road tractors are included in the definition of "commercial vehicle" for purposes of the commercial vehicle excise tax. Provides that a taxing unit's calendar year commercial motor vehicle excise tax distribution is based on the amount of tax collected in the preceding state fiscal year (rather than 105% of the prior year's base revenue). Provides that a county's base revenue for purposes of the commercial motor vehicle excise tax is equal to its distribution percentage multiplied by the amount of tax revenue collected in the preceding state fiscal year. Requires an airport operator to submit reports to the department listing aircraft stationed at the airport. Provides that if the airport operator submits an incomplete report, the airport operator is subject to a civil penalty of \$100 per aircraft not properly included in the report. Specifies that the department has the sole authority to furnish forms used in the reporting of information in an electronic format. Allows the department to use statistical sampling in audits. Provides that if the taxpayer and the department agree on a sampling method to be used, the sampling method is binding on both (Continued next page)

parties. Specifies that if the department erroneously issues a refund check to a taxpayer, the department has two years from the time of issuing the erroneous refund to issue a proposed assessment. Requires (rather than allows) a taxpayer to round to the nearest dollar amount on income tax returns. Provides that partnerships and trusts are subject to the 20% penalty for failure to withhold and remit taxes required to be withheld for nonresident partners or nonresident beneficiaries. Provides that if a person has had more than one payment to the department returned for insufficient funds, the department may require that all future payments for all listed taxes be remitted with guaranteed funds. Allows the department to require a taxpayer that is on a payment plan for sales or withholding tax liabilities to make the payment using an automatic withdrawal from the person's bank account.

2	merchandise.
3	(5) consideration received by the seller from a third party if:
4	(A) the seller actually receives consideration from a party
5	other than the purchaser and the consideration is directly
6	related to a price reduction or discount on the sale;
7	(B) the seller has an obligation to pass the price reduction
8	or discount through to the purchaser;
9	(C) the amount of the consideration attributable to the sale
0	is fixed and determinable by the seller at the time of the
1	sale of the item to the purchaser; and
2	(D) the price reduction or discount is identified as a third
3	party price reduction or discount on the invoice received
4	by the purchaser or on a coupon, certificate, or other
.5	documentation presented by the purchaser.
6	For purposes of subdivision (4), delivery charges are charges by the
7	seller for preparation and delivery of the property to a location
8	designated by the purchaser of property, including but not limited to
9	transportation, shipping, postage, handling, crating, and packing.
20	(b) "Gross retail income" does not include that part of the gross
21	receipts attributable to:
22	(1) the value of any tangible personal property received in a like
23	kind exchange in the retail transaction, if the value of the property
24	given in exchange is separately stated on the invoice, bill of sale,
25	or similar document given to the purchaser;
26	(2) the receipts received in a retail transaction which constitute
27	interest, finance charges, or insurance premiums on either a
28	promissory note or an installment sales contract;
29	(3) discounts, including cash, terms, or coupons that are not
0	reimbursed by a third party that are allowed by a seller and taken
1	by a purchaser on a sale;

10	bill of sale, or similar document given to the purchaser.
1	(c) A public utility's or a power subsidiary's gross retail income
12	includes all gross retail income received by the public utility or power

subsidiary, including any minimum charge, flat charge, membership
fee, or any other form of charge or billing.
SECTION 2. IC 6-2.5-3-6 IS AMENDED TO READ AS
FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 6. (a) For purposes of
this section, "person" includes an individual who is personally liable

for use tax under IC 6-2.5-9-3.

- (b) The person who uses, stores, or consumes the tangible personal property acquired in a retail transaction is personally liable for the use
- (c) The person liable for the use tax shall pay the tax to the retail merchant from whom the person acquired the property, and the retail merchant shall collect the tax as an agent for the state, if the retail merchant is engaged in business in Indiana or if the retail merchant has departmental permission to collect the tax. In all other cases, the person shall pay the use tax to the department.
- (d) Notwithstanding subsection (c), a person liable for the use tax imposed in respect to a vehicle, watercraft, or aircraft under section 2(b) of this chapter shall pay the tax:
  - (1) to the titling agency when the person applies for a title for the vehicle or the watercraft; or
  - (2) to the registering agency when the person registers the aircraft; or
  - (3) to the registering agency when the person registers the watercraft because it is a United States Coast Guard documented vessel;

unless the person presents proof to the agency that the use tax or state gross retail tax has already been paid with respect to the purchase of the vehicle, watercraft, or aircraft or proof that the taxes are inapplicable because of an exemption under this article.

(e) At the time a person pays the use tax for the purchase of a vehicle to a titling agency pursuant to subsection (d), the titling agency shall compute the tax due based on the presumption that the sale price was the average selling price for that vehicle, as determined under a used vehicle buying guide to be chosen by the titling agency. However, the titling agency shall compute the tax due based on the actual sale price of the vehicle if the buyer, at the time the buyer pays the tax to the titling agency, presents documentation to the titling agency sufficient to rebut the presumption set forth in this subsection and to establish the actual selling price of the vehicle.

SECTION 3. IC 6-2.5-6-1, AS AMENDED BY P.L.131-2008, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 1. (a) Except as otherwise provided in this

section, each person liable for collecting the state gross retail or use tax shall file a return for each calendar month and pay the state gross retail and use taxes that the person collects during that month. A person shall file the person's return for a particular month with the department and make the person's tax payment for that month to the department not more than thirty (30) days after the end of that month, if that person's average monthly liability for collections of state gross retail and use taxes under this section as determined by the department for the preceding calendar year did not exceed one thousand dollars (\$1,000). If a person's average monthly liability for collections of state gross retail and use taxes under this section as determined by the department for the preceding calendar year exceeded one thousand dollars (\$1,000), that person shall file the person's return for a particular month and make the person's tax payment for that month to the department not more than twenty (20) days after the end of that month.

- (b) If a person files a combined sales and withholding tax report and either this section or IC 6-3-4-8.1 requires sales or withholding tax reports to be filed and remittances to be made within twenty (20) days after the end of each month, then the person shall file the combined report and remit the sales and withholding taxes due within twenty (20) days after the end of each month.
- (c) Instead of the twelve (12) monthly reporting periods required by subsection (a), the department may permit a person to divide a year into a different number of reporting periods. The return and payment for each reporting period is due not more than twenty (20) days after the end of the period.
- (d) Instead of the reporting periods required under subsection (a), the department may permit a retail merchant to report and pay the merchant's state gross retail and use taxes for a period covering a calendar year, if the retail merchant's state gross retail and use tax liability in the previous calendar year does not exceed one thousand dollars (\$1,000). A retail merchant using a reporting period allowed under this subsection must file the merchant's return and pay the merchant's tax for a reporting period not later than the last day of the month immediately following the close of that reporting period.
- (e) If a retail merchant reports the merchant's adjusted gross income tax, or the tax the merchant pays in place of the adjusted gross income tax, over a fiscal year not corresponding to the calendar year, the merchant may, without prior departmental approval, report and pay the merchant's state gross retail and use taxes over the merchant's fiscal year that corresponds to the calendar year the merchant is permitted to use under subsection (d). However, the department may, at any time,

2.8

1	require the retail merchant to stop using the fiscal reporting period.
2	(f) If a retail merchant files a combined sales and withholding tax
3	report, the reporting period for the combined report is the shortest
4	period required under:
5	(1) this section;
6	(2) IC 6-3-4-8; or
7	(3) IC 6-3-4-8.1.
8	(g) If the department determines that a person's:
9	(1) estimated monthly gross retail and use tax liability for the
10	current year; or
11	(2) average monthly gross retail and use tax liability for the
12	preceding year;
13	exceeds five thousand dollars (\$5,000), the person shall pay the
14	monthly gross retail and use taxes due by electronic funds transfer (as
15	defined in IC 4-8.1-2-7) or by delivering in person or by overnight
16	courier a payment by cashier's check, certified check, or money order
17	to the department. The transfer or payment shall be made on or before
18	the date the tax is due.
19	(h) A person that registers as a retail merchant after December
20	31, 2009, is required to report and remit state gross retail and use
21	taxes through the department's online tax filing program. This
22	subsection does not apply to a retail merchant that was a registered
23	retail merchant before January 1, 2010, but adds an additional
24	place of business in accordance with IC 6-2.5-8-1(e) after
25	December 31, 2009.
26	(h) (i) A person:
27	(1) who has voluntarily registered as a seller under the
28	Streamlined Sales and Use Tax Agreement;
29	(2) who is not a Model 1, Model 2, or Model 3 seller (as defined
30	in the Streamlined Sales and Use Tax Agreement); and
31	(3) whose liability for collections of state gross retail and use
32	taxes under this section for the preceding calendar year as
33	determined by the department does not exceed one thousand
34	dollars (\$1,000);
35	is not required to file a monthly gross retail and use tax return.
36	SECTION 4. IC 6-2.5-11-10, AS AMENDED BY P.L.145-2007,
37	SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
38	JULY 1, 2010]: Sec. 10. (a) A certified service provider is the agent of
39	a seller, with whom the certified service provider has contracted, for
40	the collection and remittance of sales and use taxes. As the seller's

agent, the certified service provider is liable for sales and use tax due each member state on all sales transactions it processes for the seller

except as set out in this section. A seller that contracts with a certified service provider is not liable to the state for sales or use tax due on transactions processed by the certified service provider unless the seller misrepresented the type of items it sells or committed fraud. In the absence of probable cause to believe that the seller has committed fraud or made a material misrepresentation, the seller is not subject to audit on the transactions processed by the certified service provider. A seller is subject to audit for transactions not processed by the certified service provider. The member states acting jointly may perform a system check of the seller and review the seller's procedures to determine if the certified service provider's system is functioning properly and the extent to which the seller's transactions are being processed by the certified service provider.

- (b) A person that provides a certified automated system is responsible for the proper functioning of that system and is liable to the state for underpayments of tax attributable to errors in the functioning of the certified automated system. A seller that uses a certified automated system remains responsible and is liable to the state for reporting and remitting tax.
- (c) A seller that has a proprietary system for determining the amount of tax due on transactions and has signed an agreement establishing a performance standard for that system is liable for the failure of the system to meet the performance standard.
- (d) A certified service provider or a seller using a certified automated system that obtains a certification from the department is not liable for sales or use tax collection errors that result from reliance on the department's certification. If the department determines that an item or transaction is incorrectly classified as to the taxability of the item or transaction, the department shall notify the certified service provider or the seller using a certified automated system of the incorrect classification. The certified service provider or the seller using a certified automated system must revise the incorrect classification within ten (10) days after receiving notice of the determination from the department. If the classification error is not corrected within ten (10) days after receiving the department's notice, the certified service provider or the seller using a certified automated system is liable for failure to collect the correct amount of sales or use tax due and owing.
- (e) If at least thirty (30) days is not provided between the enactment of a statute changing the rate set forth in IC 6-2.5-2-2 and the effective date of the rate change, the department shall relieve the seller of liability for failing to collect tax at the new rate if:

2.8

(1) the seller collected the tax at the immediately preceding
effective rate; and
(2) the seller's failure to collect at the current rate does not
extend beyond thirty (30) days after the effective date of the
rate change.
A seller is not eligible for the relief provided for in this subsection
if the seller fraudulently fails to collect at the current rate or
solicits purchases based on the immediately preceding effective rate.
(e) (f) The department shall allow any monetary allowances that are
provided by the member states to sellers or certified service providers
in exchange for collecting the sales and use taxes as provided in article
VI of the agreement.
SECTION 5. IC 6-2.5-12-15 IS AMENDED TO READ AS
FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 15. Except for the
telecommunications services listed in section 16 of this chapter, a sale
of:
(1) telecommunications services sold on a basis other than a call
by call basis;
(2) Internet access service; or
(3) an ancillary service;
is sourced to the customer's place of primary use.
SECTION 6. IC 6-2.5-13-1, AS AMENDED BY P.L.19-2008.
SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
JANUARY 1, 2010]: Sec. 1. (a) As used in this section, the terms
"receive" and "receipt" mean:
(1) taking possession of tangible personal property;
(2) making first use of services; or
(3) taking possession or making first use of digital goods;
whichever comes first. The terms "receive" and "receipt" do not include
possession by a shipping company on behalf of the purchaser.
(b) This section:
(1) applies regardless of the characterization of a product as
tangible personal property, a digital good, or a service;
(2) applies only to the determination of a seller's obligation to pay
or collect and remit a sales or use tax with respect to the seller's
retail sale of a product; and
(3) does not affect the obligation of a purchaser or lessee to remit
tax on the use of the product to the taxing jurisdictions of that use.
(c) This section does not apply to sales or use taxes levied on the
following:
(1) The retail sale or transfer of watercraft, modular homes,

1	manufactured homes, or mobile homes. These items must be
2	sourced according to the requirements of this article.
3	(2) The retail sale, excluding lease or rental, of motor vehicles,
4	trailers, semitrailers, or aircraft that do not qualify as
5	transportation equipment, as defined in subsection (g). The retail
6	sale of these items shall be sourced according to the requirements
7	of this article, and the lease or rental of these items must be
8	sourced according to subsection (f).
9	(3) Telecommunications services, ancillary services, and Internet
10	access service shall be sourced in accordance with IC 6-2.5-12.
11	(d) The retail sale, excluding lease or rental, of a product shall be
12	sourced as follows:
13	(1) When the product is received by the purchaser at a business
14	location of the seller, the sale is sourced to that business location.
15	(2) When the product is not received by the purchaser at a
16	business location of the seller, the sale is sourced to the location
17	where receipt by the purchaser (or the purchaser's donee,
18	designated as such by the purchaser) occurs, including the
19	location indicated by instructions for delivery to the purchaser (or
20	donee), known to the seller.
21	(3) When subdivisions (1) and (2) do not apply, the sale is
22	sourced to the location indicated by an address for the purchaser
23	that is available from the business records of the seller that are
24	maintained in the ordinary course of the seller's business when
25	use of this address does not constitute bad faith.
26	(4) When subdivisions (1), (2), and (3) do not apply, the sale is
27	sourced to the location indicated by an address for the purchaser
28	obtained during the consummation of the sale, including the
29	address of a purchaser's payment instrument, if no other address
30	is available, when use of this address does not constitute bad
31	faith.
32	(5) When none of the previous rules of subdivision (1), (2), (3),
33	or (4) apply, including the circumstance in which the seller is
34	without sufficient information to apply the previous rules, then the
35	location will be determined by the address from which tangible
36	personal property was shipped, from which the digital good or the
37	computer software delivered electronically was first available for
38	transmission by the seller, or from which the service was provided
39	(disregarding for these purposes any location that merely provided
40	the digital transfer of the product sold).
41	(e) The lease or rental of tangible personal property, other than
42	property identified in subsection (f) or (g), shall be sourced as follows:

1	(1) For a lease or rental that requires recurring periodic payments,
2	the first periodic payment is sourced the same as a retail sale in
3	accordance with the provisions of subsection (d). Periodic
4	payments made subsequent to the first payment are sourced to the
5	primary property location for each period covered by the payment.
6	The primary property location shall be as indicated by an address
7	for the property provided by the lessee that is available to the
8	lessor from its records maintained in the ordinary course of
9	business, when use of this address does not constitute bad faith.
10	The property location shall not be altered by intermittent use at
11	different locations, such as use of business property that
12	accompanies employees on business trips and service calls.
13	(2) For a lease or rental that does not require recurring periodic
14	payments, the payment is sourced the same as a retail sale in
15	accordance with the provisions of subsection (d).
16	This subsection does not affect the imposition or computation of sales
17	or use tax on leases or rentals based on a lump sum or an accelerated
18	basis, or on the acquisition of property for lease.
19	(f) The lease or rental of motor vehicles, trailers, semitrailers, or
20	aircraft that do not qualify as transportation equipment, as defined in
21	subsection (g), shall be sourced as follows:
22	(1) For a lease or rental that requires recurring periodic payments,
23	each periodic payment is sourced to the primary property location.
24	The primary property location shall be as indicated by an address
25	for the property provided by the lessee that is available to the
26	lessor from its records maintained in the ordinary course of
27	business, when use of this address does not constitute bad faith.
28	This location shall not be altered by intermittent use at different
29	locations.
30	(2) For a lease or rental that does not require recurring periodic
31	payments, the payment is sourced the same as a retail sale in
32	accordance with the provisions of subsection (d).
33	This subsection does not affect the imposition or computation of sales
34	or use tax on leases or rentals based on a lump sum or accelerated
35	basis, or on the acquisition of property for lease.
36	(g) The retail sale, including lease or rental, of transportation
37	equipment shall be sourced the same as a retail sale in accordance with
38	the provisions of subsection (d), notwithstanding the exclusion of lease
39	or rental in subsection (d). As used in this subsection, "transportation
40	equipment" means any of the following:

(1) Locomotives and railcars that are used for the carriage of

persons or property in interstate commerce.

41

1	(2) Trucks and truck-tractors with a gross vehicle weight rating
2	(GVWR) of ten thousand one (10,001) pounds or greater, trailers,
3	semitrailers, or passenger buses that are:
4	(A) registered through the International Registration Plan; and
5	(B) operated under authority of a carrier authorized and
6	certificated by the U.S. Department of Transportation or
7	another federal authority to engage in the carriage of persons
8	or property in interstate commerce.
9	(3) Aircraft that are operated by air carriers authorized and
10	certificated by the U.S. Department of Transportation or another
11	federal or a foreign authority to engage in the carriage of persons
12	or property in interstate or foreign commerce.
13	(4) Containers designed for use on and component parts attached
14	or secured on the items set forth in subdivisions (1) through (3).
15	(h) This subsection applies to retail sales of floral products that
16	occur before January 1, 2010. Notwithstanding subsection (d), a retail
17	sale of floral products in which a florist or floral business:
18	(1) takes a floral order from a purchaser; and
19	(2) transmits the floral order by telegraph, telephone, or other
20	means of communication to another florist or floral business for
21	delivery;
22	is sourced to the location of the florist or floral business that originally
23	takes the floral order from the purchaser.
24	SECTION 7. IC 6-3-1-34.5, AS ADDED BY P.L.211-2007,
25	SECTION 20, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
26	JANUARY 1, 2008 (RETROACTIVE)]: Sec. 34.5. (a) Except as
27	provided in subsection (b), "captive real estate investment trust" means
28	a corporation, a trust, or an association:
29	(1) that is considered a real estate investment trust for the taxable
30	year under Section 856 of the Internal Revenue Code;
31	(2) that is not regularly traded on an established securities market;
32	and
33	(3) in which more than fifty percent (50%) of the:

40	(b) The term does not include a corporation, a trust, or an
41	association in which more than fifty percent (50%) of the entity's voting
12	power, beneficial interests, or shares are owned by a single entity

1	described in subsection (a)(3) that is owned or controlled, directly or
2	constructively, by:
3	(1) a corporation, a trust, or an association that is considered a
4	real estate investment trust under Section 856 of the Internal
5	Revenue Code;
6	(2) a person exempt from taxation under Section 501 of the
7	Internal Revenue Code;
8	(3) an Australian real estate investment trust;
9	(4) a listed property trust; or
0	(3) (5) a real estate investment trust that:
.1	(A) is intended to become regularly traded on an established
2	securities market; and
.3	(B) satisfies the requirements of Section 856(a)(5) and Section
4	856(a)(6) of the Internal Revenue Code under Section 856(h)
5	of the Internal Revenue Code.
6	(c) For purposes of this section, the constructive ownership rules of
7	Section 318 of the Internal Revenue Code, as modified by Section
8	856(d)(5) of the Internal Revenue Code, apply to the determination of
9	the ownership of stock, assets, or net profits of any person.
20	SECTION 8. IC 6-3-1-35 IS ADDED TO THE INDIANA CODE
21	AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE
22	JANUARY 1, 2009 (RETROACTIVE)]: Sec. 35. As used in this
23	article, "pass through entity" means:
24	(1) a trust;
.5	(2) an estate;
.6	(3) a limited liability company (other than a limited liability
.7	company that elects to be taxed as a corporation for federal
8.	income tax purposes);
.9	(4) a partnership (other than a partnership that elects to be
0	taxed as a corporation for federal income tax purposes); or
1	(5) a corporation exempt from federal income tax under
2	Section 1363 of the Internal Revenue Code (determined
3	without regard to Section 1363(d), Section 1374, and Section
4	1375 of the Internal Revenue Code).
55	SECTION 9. IC 6-3-2-2, AS AMENDED BY P.L.162-2006,
66	SECTION 25, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
37	JANUARY 1, 2009 (RETROACTIVE)]: Sec. 2. (a) With regard to
8	corporations and nonresident persons, "adjusted gross income derived
9	from sources within Indiana", for the purposes of this article, shall
10	mean and include:
1	(1) income from real or tangible personal property located in this
12	state;

	12
1	(2) income from doing business in this state;
2	(3) income from a trade or profession conducted in this state;
3	(4) compensation for labor or services rendered within this state;
4	and
5	(5) income from stocks, bonds, notes, bank deposits, patents,
6	copyrights, secret processes and formulas, good will, trademarks,
7	trade brands, franchises, and other intangible personal property if
8	the receipt from the intangible is attributable to Indiana under
9	section 2.2 of this chapter.
10	Income from a pass through entity shall be characterized in a
11	manner consistent with the income's characterization for federal
12	income tax purposes and shall be attributed to Indiana as if the
13	entity that received the income had directly engaged in the income
14	producing activity. Income that is derived from one (1) pass
15	through entity and is considered to pass through to another pass
16	through entity does not change these characteristics or attribution
17	provisions. In the case of nonbusiness income described in subsection
18	(g), only so much of such income as is allocated to this state under the
19	provisions of subsections (h) through (k) shall be deemed to be derived
20	from sources within Indiana. In the case of business income, only so
21	much of such income as is apportioned to this state under the provision
22	of subsection (b) shall be deemed to be derived from sources within the
23	state of Indiana. In the case of compensation of a team member (as
24	defined in section 2.7 of this chapter), only the portion of income
25	determined to be Indiana income under section 2.7 of this chapter is
26	considered derived from sources within Indiana. In the case of a
27	corporation that is a life insurance company (as defined in Section
28	816(a) of the Internal Revenue Code) or an insurance company that is
29	subject to tax under Section 831 of the Internal Revenue Code, only so
30	much of the income as is apportioned to Indiana under subsection (r)
31	is considered derived from sources within Indiana.
32	(b) Except as provided in subsection (l), if business income of a
33	corporation or a nonresident person is derived from sources within the
34	state of Indiana and from sources without the state of Indiana, the
35	business income derived from sources within this state shall be
36	determined by multiplying the business income derived from sources
37	both within and without the state of Indiana by the following:
38	(1) For all taxable years that begin after December 31, 2006, and
39	before January 1, 2008, a fraction. The:

(A) numerator of the fraction is the sum of the property factor plus the payroll factor plus the product of the sales factor

multiplied by three (3); and

40

41 42

1	(B) denominator of the fraction is five (5).
2	(2) For all taxable years that begin after December 31, 2007, and
3	before January 1, 2009, a fraction. The:
4	(A) numerator of the fraction is the property factor plus the
5	payroll factor plus the product of the sales factor multiplied by
6	four and sixty-seven hundredths (4.67); and
7	(B) denominator of the fraction is six and sixty-seven
8	hundredths (6.67).
9	(3) For all taxable years beginning after December 31, 2008, and
.0	before January 1, 2010, a fraction. The:
1	(A) numerator of the fraction is the property factor plus the
2	payroll factor plus the product of the sales factor multiplied by
.3	eight (8); and
4	(B) denominator of the fraction is ten (10).
.5	(4) For all taxable years beginning after December 31, 2009, and
6	before January 1, 2011, a fraction. The:
7	(A) numerator of the fraction is the property factor plus the
8	payroll factor plus the product of the sales factor multiplied by
9	eighteen (18); and
20	(B) denominator of the fraction is twenty (20).
21	(5) For all taxable years beginning after December 31, 2010, the
22	sales factor.
23	(c) The property factor is a fraction, the numerator of which is the
24	average value of the taxpayer's real and tangible personal property
25	owned or rented and used in this state during the taxable year and the
26	denominator of which is the average value of all the taxpayer's real and
27	tangible personal property owned or rented and used during the taxable
28	year. However, with respect to a foreign corporation, the denominator
29	does not include the average value of real or tangible personal property
0	owned or rented and used in a place that is outside the United States.
1	Property owned by the taxpayer is valued at its original cost. Property
32	rented by the taxpayer is valued at eight (8) times the net annual rental
3	rate. Net annual rental rate is the annual rental rate paid by the taxpayer
34	less any annual rental rate received by the taxpayer from subrentals.
55	The average of property shall be determined by averaging the values at
66	the beginning and ending of the taxable year, but the department may
37	require the averaging of monthly values during the taxable year if
8	reasonably required to reflect properly the average value of the
9	taxpayer's property.
10	(d) The payroll factor is a fraction, the numerator of which is the
1	total amount paid in this state during the taxable year by the taxpayer
12	for compensation, and the denominator of which is the total

1	compensation paid everywhere during the taxable year. However, with
2	respect to a foreign corporation, the denominator does not include
3	compensation paid in a place that is outside the United States.
4	Compensation is paid in this state if:
5	(1) the individual's service is performed entirely within the state;
6	(2) the individual's service is performed both within and without
7	this state, but the service performed without this state is incidental
8	to the individual's service within this state; or
9	(3) some of the service is performed in this state and:
10	(A) the base of operations or, if there is no base of operations,
11	the place from which the service is directed or controlled is in
12	this state; or
13	(B) the base of operations or the place from which the service
14	is directed or controlled is not in any state in which some part
15	of the service is performed, but the individual is a resident of
16	this state.
17	(e) The sales factor is a fraction, the numerator of which is the total
18	sales of the taxpayer in this state during the taxable year, and the
19	denominator of which is the total sales of the taxpayer everywhere
20	during the taxable year. Sales include receipts from intangible property
21	and receipts from the sale or exchange of intangible property. However,
22	with respect to a foreign corporation, the denominator does not include
23	sales made in a place that is outside the United States. Receipts from
24	intangible personal property are derived from sources within Indiana
25	if the receipts from the intangible personal property are attributable to
26	Indiana under section 2.2 of this chapter. Regardless of the f.o.b. point
27	or other conditions of the sale, sales of tangible personal property are
28	in this state if:
29	(1) the property is delivered or shipped to a purchaser that is
30	within Indiana, other than the United States government; or
31	(2) the property is shipped from an office, a store, a warehouse, a
32	factory, or other place of storage in this state and:
33	(A) the purchaser is the United States government; or
34	(B) the taxpayer is not taxable in the state of the purchaser.
35	Gross receipts derived from commercial printing as described in
36	IC 6-2.5-1-10 shall be treated as sales of tangible personal property for
37	purposes of this chapter.
38	(f) Sales, other than receipts from intangible property covered by
39	subsection (e) and sales of tangible personal property, are in this state
40	if:
41	(1) the income-producing activity is performed in this state; or
42	(2) the income-producing activity is performed both within and

1	without this state and a greater proportion of the
2	income-producing activity is performed in this state than in any
3	other state, based on costs of performance.
4	(g) Rents and royalties from real or tangible personal property,
5	capital gains, interest, dividends, or patent or copyright royalties, to the
6	extent that they constitute nonbusiness income, shall be allocated as
7	provided in subsections (h) through (k).
8	(h)(1) Net rents and royalties from real property located in this state
9	are allocable to this state.
10	(2) Net rents and royalties from tangible personal property are
11	allocated to this state:
12	(i) if and to the extent that the property is utilized in this state; or
13	(ii) in their entirety if the taxpayer's commercial domicile is in this
14	state and the taxpayer is not organized under the laws of or
15	taxable in the state in which the property is utilized.
16	(3) The extent of utilization of tangible personal property in a state
17	is determined by multiplying the rents and royalties by a fraction, the
18	numerator of which is the number of days of physical location of the
19	property in the state during the rental or royalty period in the taxable
20	year, and the denominator of which is the number of days of physical
21	location of the property everywhere during all rental or royalty periods
22	in the taxable year. If the physical location of the property during the
23	rental or royalty period is unknown or unascertainable by the taxpayer,
24	tangible personal property is utilized in the state in which the property
25	was located at the time the rental or royalty payer obtained possession.
26	(i)(1) Capital gains and losses from sales of real property located in
27	this state are allocable to this state.
28	(2) Capital gains and losses from sales of tangible personal property
29	are allocable to this state if:
30	(i) the property had a situs in this state at the time of the sale; or
31	(ii) the taxpayer's commercial domicile is in this state and the
32	taxpayer is not taxable in the state in which the property had a
33	situs.
34	(3) Capital gains and losses from sales of intangible personal
35	property are allocable to this state if the taxpayer's commercial
36	domicile is in this state.
37	(j) Interest and dividends are allocable to this state if the taxpayer's
38	commercial domicile is in this state.
39	(k)(1) Patent and copyright royalties are allocable to this state:
40	(i) if and to the extent that the patent or copyright is utilized by
41	the taxpayer in this state; or
42	(ii) if and to the extent that the patent or copyright is utilized by

1	the taxpayer in a state in which the taxpayer is not taxable and the	
2	taxpayer's commercial domicile is in this state.	
3	(2) A patent is utilized in a state to the extent that it is employed	
4	in production, fabrication, manufacturing, or other processing in	
5	the state or to the extent that a patented product is produced in the	
6	state. If the basis of receipts from patent royalties does not permit	
7	allocation to states or if the accounting procedures do not reflect	
8	states of utilization, the patent is utilized in the state in which the	
9	taxpayer's commercial domicile is located.	
10	(3) A copyright is utilized in a state to the extent that printing or	
11	other publication originates in the state. If the basis of receipts	
12	from copyright royalties does not permit allocation to states or if	
13	the accounting procedures do not reflect states of utilization, the	
14	copyright is utilized in the state in which the taxpayer's	
15	commercial domicile is located.	
16	(l) If the allocation and apportionment provisions of this article do	
17	not fairly represent the taxpayer's income derived from sources within	
18	the state of Indiana, the taxpayer may petition for or the department	
19	may require, in respect to all or any part of the taxpayer's business	
20	activity, if reasonable:	
21	(1) separate accounting;	
22	(2) for a taxable year beginning before January 1, 2011, the	
23	exclusion of any one (1) or more of the factors, except the sales	
24	factor;	
25	(3) the inclusion of one (1) or more additional factors which will	
26	fairly represent the taxpayer's income derived from sources within	
27	the state of Indiana; or	
28	(4) the employment of any other method to effectuate an equitable	
29	allocation and apportionment of the taxpayer's income.	
30	(m) In the case of two (2) or more organizations, trades, or	
31	businesses owned or controlled directly or indirectly by the same	
32	interests, the department shall distribute, apportion, or allocate the	
33	income derived from sources within the state of Indiana between and	
34	among those organizations, trades, or businesses in order to fairly	
35	reflect and report the income derived from sources within the state of	
36	Indiana by various taxpayers.	
37	(n) For purposes of allocation and apportionment of income under	
38	this article, a taxpayer is taxable in another state if:	
39	(1) in that state the taxpayer is subject to a net income tax, a	
40	franchise tax measured by net income, a franchise tax for the	
41	privilege of doing business, or a corporate stock tax; or	
42	(2) that state has jurisdiction to subject the taxpayer to a net	

1	income tax regardless of whether, in fact, the state does or does
2	not.
3	(o) Notwithstanding subsections (l) and (m), the department may
4	not, under any circumstances, require that income, deductions, and
5	credits attributable to a taxpayer and another entity be reported in a
6	combined income tax return for any taxable year, if the other entity is:
7	(1) a foreign corporation; or
8	(2) a corporation that is classified as a foreign operating
9	corporation for the taxable year by section 2.4 of this chapter.
10	(p) Notwithstanding subsections (l) and (m), the department may not
11	require that income, deductions, and credits attributable to a taxpayer
12	and another entity not described in subsection (o)(1) or (o)(2) be
13	reported in a combined income tax return for any taxable year, unless
14	the department is unable to fairly reflect the taxpayer's adjusted gross
15	income for the taxable year through use of other powers granted to the
16	department by subsections (l) and (m).
17	(q) Notwithstanding subsections (o) and (p), one (1) or more
18	taxpayers may petition the department under subsection (1) for
19	permission to file a combined income tax return for a taxable year. The
20	petition to file a combined income tax return must be completed and
21	filed with the department not more than thirty (30) days after the end
22	of the taxpayer's taxable year. A taxpayer filing a combined income tax
23	return must petition the department within thirty (30) days after the end
24	of the taxpayer's taxable year to discontinue filing a combined income
25	tax return.
26	(r) This subsection applies to a corporation that is a life insurance
27	company (as defined in Section 816(a) of the Internal Revenue Code)
28	or an insurance company that is subject to tax under Section 831 of the
29	Internal Revenue Code. The corporation's adjusted gross income that
30	is derived from sources within Indiana is determined by multiplying the
31	corporation's adjusted gross income by a fraction:
32	(1) the numerator of which is the direct premiums and annuity
33	considerations received during the taxable year for insurance
34	upon property or risks in the state; and
35	(2) the denominator of which is the direct premiums and annuity
36	considerations received during the taxable year for insurance
37	upon property or risks everywhere.
38	The term "direct premiums and annuity considerations" means the
39	gross premiums received from direct business as reported in the
40	corporation's annual statement filed with the department of insurance.

15	subdivision, or the United States government;
16	that is located in an enterprise zone; and

38	SECTION 50, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
39	JANUARY 1, 2009 (RETROACTIVE)]: Sec. 10. (a) As used in this
40	section:
41	"Base period wages" means the following:
42	(1) In the case of a taxpayer other than a pass through entity,

1	wages paid or payable by a taxpayer to its employees during the
2	year that ends on the last day of the month that immediately
3	precedes the month in which an enterprise zone is established, to
4	the extent that the wages would have been qualified wages if the
5	enterprise zone had been in effect for that year. If the taxpayer did
6	not engage in an active trade or business during that year in the
7	area that is later designated as an enterprise zone, then the base
8	period wages equal zero (0). If the taxpayer engaged in an active
9	trade or business during only part of that year in an area that is
10	later designated as an enterprise zone, then the department shall
11	determine the amount of base period wages.
12	(2) In the case of a taxpayer that is a pass through entity, base
13	period wages equal zero (0).
14	"Enterprise zone" means an enterprise zone created under
15	IC 5-28-15.
16	"Enterprise zone adjusted gross income" means adjusted gross
17	income of a taxpayer that is derived from sources within an enterprise
18	zone. Sources of adjusted gross income shall be determined with

23	that is derived from sources within an enterprise zone.
24	"Enterprise zone insurance premiums" means insurance premiums

35	"Qualified employee" means an individual who is employed by a
36	taxpayer and who:
37	(1) has the individual's principal place of residence in the
38	enterprise zone in which the individual is employed;
39	(2) performs services for the taxpayer, ninety percent (90%) of
40	which are directly related to the conduct of the taxpayer's trade or
41	business that is located in an enterprise zone;

(3) performs at least fifty percent (50%) of the individual's

42

1	services for the taxpayer during the taxable year in the enterprise

8	(1) For a taxpayer's taxable year other than the taxpayer's taxable
9	year in which the enterprise zone is established, the amount by
10	which qualified wages paid or payable by the taxpayer during the
11	taxable year to qualified employees exceeds the taxpayer's base
12	period wages.
13	(2) For the taxpayer's taxable year in which the enterprise zone is
14	established, the amount by which qualified wages paid or payable
15	by the taxpayer during all of the full calendar months in the
16	taxpayer's taxable year that succeed the date on which the

37	taxable year; or
38	(2) one thousand five hundred dollars (\$1,500) multiplied by the
39	number of qualified employees employed by the taxpayer during
40	the taxable year.
41	(c) The amount of the credit provided by this section that a taxpayer
42	uses during a particular taxable year may not exceed the taxpayer's

qualified state tax liability for the taxable year. If the credit provided by
this section exceeds the amount of that tax liability for the taxable year
it is first claimed, then the excess may be carried back to preceding
taxable years or carried over to succeeding taxable years and used as
a credit against the taxpayer's qualified state tax liability for those
taxable years. Each time that the credit is carried back to a preceding
taxable year or carried over to a succeeding taxable year, the amount
of the carryover is reduced by the amount used as a credit for that
taxable year. Except as provided in subsection (e), the credit provided
by this section may be carried forward and applied in the ten (10)
taxable years that succeed the taxable year in which the credit accrues.
The credit provided by this section may be carried back and applied in
the three (3) taxable years that precede the taxable year in which the
credit accrues.
(d) A credit earned by a taxpayer in a particular taxable year shall
be applied against the taxpayer's qualified state tax liability for that

- taxable year before any credit carryover or carryback is applied against that liability under subsection (c).
- (e) Notwithstanding subsection (c), if a credit under this section results from wages paid in a particular enterprise zone, and if that enterprise zone terminates in a taxable year that succeeds the last taxable year in which a taxpayer is entitled to use the credit carryover that results from those wages under subsection (c), then the taxpayer may use the credit carryover for any taxable year up to and including the taxable year in which the enterprise zone terminates.
  - (f) A taxpayer is not entitled to a refund of any unused credit.
  - (g) A taxpayer that:
    - (1) does not own, rent, or lease real property outside of an enterprise zone that is an integral part of its trade or business; and

is exempt from the allocation and apportionment provisions of this

- (h) If a pass through entity is entitled to a credit under subsection (b) but does not have state tax liability against which the tax credit may be applied, an individual who is a shareholder, partner, beneficiary, or member of the pass through entity is entitled to a tax credit equal to:
  - (1) the tax credit determined for the pass through entity for the taxable year; multiplied by
  - (2) the percentage of the pass through entity's distributive income to which the shareholder, partner, beneficiary, or member is

1	entitled.

22	the imposition of the county adjusted gross income tax shall, in the
23	manner prescribed by this section, be distributed to the county that
24	imposed it. The amount to be distributed to a county during an ensuing
25	calendar year equals the amount of county adjusted gross income tax
26	revenue that the department, after reviewing the recommendation of the
27	budget agency determines has been:
28	(1) received from that county for a taxable year ending before the
29	calendar year in which the determination is made; and
30	(2) reported on an annual return or amended return processed by
31	the department in the state fiscal year ending before July 1 of the
32	calendar year in which the determination is made;
33	as adjusted (as determined after review of the recommendation of the
34	budget agency) for refunds of county adjusted gross income tax made
35	in the state fiscal year.
36	(b) Before August 2 of each calendar year, the department, after
37	reviewing the recommendation of the budget agency shall certify to the
38	county auditor of each adopting county the amount determined under
39	subsection (a) plus the amount of interest in the county's account that
40	has accrued and has not been included in a certification made in a
41	preceding year. The amount certified is the county's "certified

distribution" for the immediately succeeding calendar year. The amount

42

certified shall be adjusted under subsections (c), (d), (e), (f), (g), and
(h). The budget agency shall provide the county council with ar
informative summary of the calculations used to determine the certified

The department budget agency shall also certify information concerning the part of the certified distribution that is attributable to a tax rate under section 24, 25, or 26 of this chapter. This information must be certified to the county auditor, the department, and to the department of local government finance not later than September 1 of each calendar year. The part of the certified distribution that is attributable to a tax rate under section 24, 25, or 26 of this chapter may be used only as specified in those provisions.

- (c) The department budget agency shall certify an amount less than the amount determined under subsection (b) if the department, after reviewing the recommendation of the budget agency determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The department after reviewing the recommendation of the budget agency may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.
- (d) The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The department, after reviewing the recommendation of the budget agency may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.
- (e) The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to provide the county with the distribution required under section 10(b) of this chapter.
  - (f) This subsection applies to a county that:
    - (1) initially imposes the county adjusted gross income tax; or

29
(2) increases the county adjusted income tax rate;
under this chapter in the same calendar year in which the department
budget agency makes a certification under this section. The
department, after reviewing the recommendation of the budget agency

  - (1) the sum of the amounts determined under STEP ONE through STEP FOUR of IC 6-3.5-1.5-1(a) in the year in which the county initially imposes a tax rate under section 24 of this chapter; multiplied by

SECTION 20. IC 6-3.5-1.5-3, AS ADDED BY P.L.224-2007, SECTION 69, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 3. The department of local government finance and the department of state revenue budget agency may take any actions necessary to carry out the purposes of this chapter.

SECTION 21. IC 6-3.5-6-17, AS AMENDED BY P.L.146-2008, SECTION 338, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17. (a) Revenue derived from the imposition of the county option income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it. The amount that is to be distributed to a county during an ensuing calendar year equals the amount of county option income tax revenue that the department, after reviewing the recommendation of the budget agency determines has been:

- (1) received from that county for a taxable year ending in a calendar year preceding the calendar year in which the determination is made; and
- (2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted (as determined after review of the recommendation of the budget agency) for refunds of county option income tax made in the state fiscal year.

- (b) Before August 2 of each calendar year, the department, after reviewing the recommendation of the budget agency shall certify to the county auditor of each adopting county the amount determined under subsection (a) plus the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year. The amount certified is the county's "certified distribution" for the immediately succeeding calendar year. The amount certified shall be adjusted, as necessary, under subsections (c), (d), (e), and (f). The budget agency shall provide the county council with an informative summary of the calculations used to determine the certified distribution. The summary of calculations must include:
  - (1) the amount reported on individual income tax returns

	33	
1	processed by the department during the previous fiscal year;	
2	(2) adjustments for over distributions in prior years;	
3	(3) adjustments for clerical or mathematical errors in prior years;	
4	(4) adjustments for tax rate changes; and	
5	(5) the amount of excess account balances to be distributed under	
6	IC 6-3.5-6-17.3.	
7	The department budget agency shall also certify information	
8	concerning the part of the certified distribution that is attributable to a	
9	tax rate under section 30, 31, or 32 of this chapter. This information	
10	must be certified to the county auditor and to the department of local	
11	government finance not later than September 1 of each calendar year.	
12	The part of the certified distribution that is attributable to a tax rate	
13	under section 30, 31, or 32 of this chapter may be used only as	
14	specified in those provisions.	
15	(c) The department budget agency shall certify an amount less than	
16	the amount determined under subsection (b) if the department, after	
17	reviewing the recommendation of the budget agency determines that	
18	the reduced distribution is necessary to offset overpayments made in a	
19	calendar year before the calendar year of the distribution. The	
20	department, after reviewing the recommendation of the budget agency	
21	may reduce the amount of the certified distribution over several	
22	calendar years so that any overpayments are offset over several years	
23	rather than in one (1) lump sum.	
24	(d) The <del>department, after reviewing the recommendation of the</del>	
25	budget agency shall adjust the certified distribution of a county to	
26	correct for any clerical or mathematical errors made in any previous	
27	certification under this section. The department, after reviewing the	
28	recommendation of the budget agency may reduce the amount of the	
29	certified distribution over several calendar years so that any adjustment	
30	under this subsection is offset over several years rather than in one (1)	
31	lump sum.	
32	(e) This subsection applies to a county that:	
33	(1) initially imposed the county option income tax; or	
34	(2) increases the county option income tax rate;	
35	under this chapter in the same calendar year in which the department	
36	budget agency makes a certification under this section. The	
37	<del>department, after reviewing the recommendation of the</del> budget agency	
38	shall adjust the certified distribution of a county to provide for a	

distribution in the immediately following calendar year and in each

calendar year thereafter. The department budget agency shall provide

for a full transition to certification of distributions as provided in

subsection (a)(1) through (a)(2) in the manner provided in subsection

1 2	<ul><li>(c).</li><li>(f) This subsection applies in the year a county initially imposes a</li></ul>
3	tax rate under section 30 of this chapter. Notwithstanding any other
4	provision, the <del>department</del> <b>budget agency</b> shall adjust the part of the
5	county's certified distribution that is attributable to the tax rate under
6	section 30 of this chapter to provide for a distribution in the
7	immediately following calendar year equal to the result of:
8	(1) the sum of the amounts determined under STEP ONE through
9	STEP FOUR of IC 6-3.5-1.5-1(a) in the year in which the county
10	initially imposes a tax rate under section 30 of this chapter;
11	multiplied by
12	(2) the following:
13	(A) In a county containing a consolidated city, one and
14	five-tenths (1.5).
15	(B) In a county other than a county containing a consolidated
16	city, two (2).
17	(g) One-twelfth (1/12) of each adopting county's certified
18	distribution for a calendar year shall be distributed from its account
19	established under section 16 of this chapter to the appropriate county
20	treasurer on the first day of each month of that calendar year.
21	(h) Upon receipt, each monthly payment of a county's certified
22	distribution shall be allocated among, distributed to, and used by the
23	civil taxing units of the county as provided in sections 18 and 19 of this
24	chapter.
25	(i) All distributions from an account established under section 16 of
26	this chapter shall be made by warrants issued by the auditor of state to
27	the treasurer of state ordering the appropriate payments.
28	SECTION 22. IC 6-3.5-6-17.2 IS AMENDED TO READ AS
29	FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17.2. Before
30	October 2 of each year, the department budget agency shall submit a
31	report to each county auditor indicating the balance in the county's
32	special account as of the cutoff date set by the budget agency.
33	SECTION 23. IC 6-3.5-6-17.3 IS AMENDED TO READ AS
34	FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17.3. (a) If after
35	receiving a recommendation from the budget agency the department
36	determines that a sufficient balance exists in a county account in excess
37	of the amount necessary, when added to other money that will be
38	deposited in the account after the date of the recommendation,
39	determination, to make certified distributions to the county in the
40	ensuing year, the department budget agency shall make a

supplemental distribution to a county from the county's special account.

(b) A supplemental distribution described in subsection (a) must be:

41

42

1	(1) made in January of the ensuing calendar year; and
2	(2) allocated in the same manner as certified distributions for
3	deposit in a civil unit's rainy day fund established under
4	IC 36-1-8-5.1.
5	(c) A determination under this section must be made before October

8	SECTION 24. IC 6-3.5-6-27, AS ADDED BY P.L.214-2005, SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
9	JANUARY 1, 2010]: Sec. 27. (a) This section applies only to Miami
10	County. Miami County possesses unique economic development
11	challenges due to:
12	(1) underemployment in relation to similarly situated counties;
13	and
14	(2) the presence of a United States government military base or
15	other military installation that is completely or partially inactive
16	or closed.
17	Maintaining low property tax rates is essential to economic
18	development, and the use of county option income tax revenues as
19	provided in this chapter to pay any bonds issued or leases entered into
20	to finance the construction, acquisition, improvement, renovation, and
21	equipping described under subsection (c), rather than use of property
22	taxes, promotes that purpose.
23	(b) In addition to the rates permitted by sections 8 and 9 of this
24	chapter, the county council may impose the county option income tax
25	at a rate of twenty-five hundredths percent (0.25%) on the adjusted
26	gross income of resident county taxpayers if the county council makes
27	the finding and determination set forth in subsection (c). Section 8(e)
28	of this chapter applies to the application of the additional rate to
29	nonresident taxpayers.
30	(c) In order to impose the county option income tax as provided in
31	this section, the county council must adopt an ordinance finding and
32	determining that revenues from the county option income tax are
33	needed to pay the costs of financing, constructing, acquiring,
34	renovating, and equipping a county jail, including the repayment of
35	bonds issued, or leases entered into, for financing, constructing,
36	acquiring, renovating, and equipping a county jail.
37	(d) If the county council makes a determination under subsection
38	(c), the county council may adopt a tax rate under subsection (b). The
39	tax rate may not be imposed at a rate or for a time greater than is
40	necessary to pay the costs of financing, constructing, acquiring,
41	renovating, and equipping a county jail.
42	(e) The county treasurer shall establish a county jail revenue fund

maintenance of a jail, a juvenile detention center, or both; and (2) agreeing to freeze the part of any property tax levy imposed in the county for the operation of the jail or juvenile detention center, or both, covered by the ordinance at the rate imposed in the year preceding the year in which a full year of additional county option income tax is certified for distribution to the county under this section for the term in which an ordinance is in effect under this section.

- (e) If the county fiscal body makes a determination under subsection (d), the county fiscal body may adopt a tax rate under subsection (c). Subject to the limitations in subsection (c), the county fiscal body may amend an ordinance adopted under this section to increase, decrease, or rescind the additional tax rate imposed under this section. As soon as practicable after the adoption of an ordinance under this section, the county fiscal body shall send a certified copy of the ordinance to the county auditor, the department of local government finance, and the department of state revenue. An ordinance adopted under this section before April 1 in a year applies to the imposition of county income taxes after June 30 in that year. An ordinance adopted under this section after March 31 of a year initially applies to the imposition of county option income taxes after June 30 of the immediately following year.
- (f) The county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund before making a certified distribution under section 18 of this chapter.
- (g) County option income tax revenues derived from the tax rate imposed under this section:
  - (1) may only be used for the purposes described in this section; and
  - (2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5.
- (h) The department of local government finance shall enforce an agreement under subsection (d)(2).
- (i) The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to provide for an increased distribution of taxes in the immediately following calendar year after the county adopts an increased tax rate under this section and in each calendar year thereafter. The department budget agency shall provide for a full transition to certification of

1	distributions as provided in section 17(a)(1) through 17(a)(2) of this
2	chapter in the manner provided in section 17(c) of this chapter.
3	(j) The department shall separately designate a tax rate imposed
4	under this section in any tax form as the Howard County jail operating
5	and maintenance income tax.

7	SECTION 81, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
8	JANUARY 1, 2010]: Sec. 29. (a) This section applies only to Scott
9	County. Scott County is a county in which:
10	(1) maintaining low property tax rates is essential to economic
11	development; and

13	provided in this section, rather than the use of property taxes, to
14	fund:
15	(A) the financing, construction, acquisition, improvement,
16	renovation, equipping, operation, or maintenance of jail
17	facilities; and
18	(B) the repayment of bonds issued or leases entered into for
19	the purposes described in clause (A), except operation or

22	(b) The county fiscal body may impose the county option income tax
23	on the adjusted gross income of resident county taxpayers at a rate, in
24	addition to the rates permitted by sections 8 and 9 of this chapter, not
25	to exceed twenty-five hundredths percent (0.25%). Section 8(e) of this
26	chapter applies to the application of the additional rate to nonresident
27	taxpayers.
28	(c) To impose the county option income tax as provided in this
29	section, the county fiscal body must adopt an ordinance finding and
30	determining that additional revenues from the county option income tax
31	are needed in the county to fund:
32	(1) the financing, construction, acquisition, improvement,
33	renovation, equipping, operation, or maintenance of jail facilities;
34	and
35	(2) the repayment of bonds issued or leases entered into for the
36	purposes described in subdivision (1), except operation or
37	maintenance.
38	(d) If the county fiscal body makes a determination under subsection
39	(c), the county fiscal body may adopt an additional tax rate under
40	subsection (b). Subject to the limitations in subsection (b), the county
41	fiscal body may amend an ordinance adopted under this section to
42	increase, decrease, or rescind the additional tax rate imposed under this

section. As soon as practicable after the adoption of an ordinance under this section, the county fiscal body shall send a certified copy of the ordinance to the county auditor, the department of local government finance, and the department. An ordinance adopted under this section before June 1, 2006, or August 1 in a subsequent year applies to the imposition of county income taxes after June 30 (in the case of an ordinance adopted before June 1, 2006) or September 30 (in the case of an ordinance adopted in 2007 or thereafter) in that year. An ordinance adopted under this section after May 31, 2006, or July 31 of a subsequent year initially applies to the imposition of county option income taxes after June 30 (in the case of an ordinance adopted before June 1, 2006) or September 30 (in the case of an ordinance adopted in 2007 or thereafter) of the immediately following year.

- (e) If the county imposes an additional tax rate under this section, the county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund before making a certified distribution under section 18 of this chapter.
- (f) County option income tax revenues derived from an additional tax rate imposed under this section:
  - (1) may be used only for the purposes described in this section;
  - (2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and
  - (3) may be pledged for the repayment of bonds issued or leases entered into to fund the purposes described in subsection (c)(1), except operation or maintenance.
- (g) If the county imposes an additional tax rate under this section, the department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of the county to provide for an increased distribution of taxes in the immediately following calendar year after the county adopts the increased tax rate and in each calendar year thereafter. The department budget agency shall provide for a full transition to certification of distributions as provided in section 17(a)(1) through 17(a)(2) of this chapter in the manner provided in section 17(c) of this chapter.

(b) Maintaining low property tax rates is essential to economic

2.8

development, and the use of county option income tax revenues as provided in this chapter and as needed in the county to fund the operation and maintenance of a juvenile detention center and other facilities to provide juvenile services, rather than the use of property taxes, promotes that purpose.

- (c) In addition to the rates permitted by sections 8 and 9 of this chapter, the county fiscal body may impose an additional county option income tax at a rate of not more than twenty-five hundredths percent (0.25%) on the adjusted gross income of resident county taxpayers if the county fiscal body makes the finding and determination set forth in subsection (d). Section 8(e) of this chapter applies to the application of the additional rate to nonresident taxpayers.
- (d) In order to impose the county option income tax as provided in this section, the county fiscal body must adopt an ordinance:
  - (1) finding and determining that revenues from the county option income tax are needed in the county to fund the operation and maintenance of a juvenile detention center and other facilities necessary to provide juvenile services; and
  - (2) agreeing to freeze for the term in which an ordinance is in effect under this section the part of any property tax levy imposed in the county for the operation of the juvenile detention center and other facilities covered by the ordinance at the rate imposed in the year preceding the year in which a full year of additional county option income tax is certified for distribution to the county under this section.
- (e) If the county fiscal body makes a determination under subsection (d), the county fiscal body may adopt a tax rate under subsection (c). Subject to the limitations in subsection (c), the county fiscal body may amend an ordinance adopted under this section to increase, decrease, or rescind the additional tax rate imposed under this section. As soon as practicable after the adoption of an ordinance under this section, the county fiscal body shall send a certified copy of the ordinance to the county auditor, the department of local government finance, and the department of state revenue. An ordinance adopted under this section before August 1 in a year applies to the imposition of county income taxes after September 30 in that year. An ordinance adopted under this section after July 31 of a year initially applies to the imposition of county option income taxes after September 30 of the immediately following year.
- (f) The county treasurer shall establish a county juvenile detention center revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate

3	under section 18 of this chapter.
4	(g) County option income tax revenues derived from the tax rate
5	imposed under this section:
6	(1) may be used only for the purposes described in this section;
7	and
8	(2) may not be considered by the department of local government
9	finance in determining the county's maximum permissible
10	property tax levy limit under IC 6-1.1-18.5.
11	(h) The department of local government finance shall enforce an
12	agreement made under subsection $(d)(2)$ .
13	(i) The department, after reviewing the recommendation of the
14	budget agency shall adjust the certified distribution of a county to
15	provide for an increased distribution of taxes in the immediately
16	following calendar year after the county adopts an increased tax rate
17	under this section and in each calendar year thereafter. The department
18	budget agency shall provide for a full transition to certification of
19	distributions as provided in section 17(a)(1) through 17(a)(2) of this
20	chapter in the manner provided in section 17(c) of this chapter.
21	SECTION 28. IC 6-3.5-7-11, AS AMENDED BY P.L.146-2008,
22	SECTION 345, IS AMENDED TO READ AS FOLLOWS
23	[EFFECTIVE JANUARY 1, 2010]: Sec. 11. (a) Revenue derived from
24	the imposition of the county economic development income tax shall,
25	in the manner prescribed by this section, be distributed to the county
26	that imposed it.
27	(b) Before August 2 of each calendar year, the department, after
28	reviewing the recommendation of the budget agency shall certify to the
29	county auditor of each adopting county the sum of the amount of
30	county economic development income tax revenue that the department
31	budget agency determines has been:
32	(1) received from that county for a taxable year ending before the
33	calendar year in which the determination is made; and
34	(2) reported on an annual return or amended return processed by
35	the department in the state fiscal year ending before July 1 of the
36	calendar year in which the determination is made;
37	as adjusted (as determined after review of the recommendation of the
38	budget agency) for refunds of county economic development income
39	tax made in the state fiscal year plus the amount of interest in the
40	county's account that has been accrued and has not been included in a

certification made in a preceding year. The amount certified is the

2	The amount certified shall be adjusted under subsections (c), (d), (e),
3	(f), and (g). The budget agency shall provide the county council with
4	an informative summary of the calculations used to determine the
5	certified distribution. The summary of calculations must include:
6	(1) the amount reported on individual income tax returns
7	processed by the department during the previous fiscal year;
8	(2) adjustments for over distributions in prior years;
9	(3) adjustments for clerical or mathematical errors in prior years;
10	(4) adjustments for tax rate changes; and

13	(c) The department budget agency shall certify an amount less than
14	the amount determined under subsection (b) if the department, after
15	reviewing the recommendation of the budget agency determines that
16	the reduced distribution is necessary to offset overpayments made in a
17	calendar year before the calendar year of the distribution. The
18	department, after reviewing the recommendation of the budget agency
19	may reduce the amount of the certified distribution over several
20	calendar years so that any overpayments are offset over several years
21	rather than in one (1) lump sum.

24	for any clerical or mathematical errors made in any previous
25	certification under this section. The department, after reviewing the
26	recommendation of the budget agency may reduce the amount of the

31	budget agency shall adjust the certified distribution of a county to
32	provide the county with the distribution required under section 16(b)
33	of this chapter.
34	(f) The department, after reviewing the recommendation of the
35	budget agency shall adjust the certified distribution of a county to
36	provide the county with the amount of any tax increase imposed under
37	section 25 or 26 of this chapter to provide additional homestead credits
38	as provided in those provisions.
39	(g) This subsection applies to a county that:
40	(1) initially imposed the county economic development income
41	tax; or

(2) increases the county economic development income rate;

42

under this chapter in the same calendar year in which the department budget agency makes a certification under this section. The department, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to provide for a distribution in the immediately following calendar year and in each calendar year thereafter. The department budget agency shall provide for a full transition to certification of distributions as provided in subsection (b)(1) through (b)(2) in the manner provided in subsection (c)

SECTION 29. IC 6-3.5-7-17.3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17.3. (a) If after receiving a recommendation from the budget agency the department determines that a sufficient balance exists in a county account in excess of the amount necessary, when added to other money that will be deposited in the account after the date of the recommendation, determination, to make certified distributions to the county in the ensuing year, the department budget agency shall make a supplemental distribution to a county from the county's special account.

- (b) A supplemental distribution described in subsection (a) must be:

The lien terminates when the inheritance tax is paid, when IC 6-4.1-4-0.5 provides for the termination of the lien, or five (5) ten (10) years after the date of the decedent's death, whichever occurs first. In addition to the lien, the transferee of the property and any personal representative or trustee who has possession of or control over the property are personally liable for the inheritance tax

19	SECTION 34. IC 6-6-1.1-606.5 IS AMENDED TO READ AS
20	FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 606.5. (a) Every person
21	included within the terms of section 606(a) and 606(c) of this chapter
22	shall register with the administrator before engaging in those activities.
23	The administrator shall issue a transportation license to a person who
24	registers with the administrator under this section.
25	(b) Every person included within the terms of section 606(a) of this
26	chapter who transports gasoline in a vehicle on the highways in Indiana
27	for purposes other than use and consumption by that person may not
28	make a delivery of that gasoline to any person in Indiana other than a
29	licensed distributor except:
30	(1) when the tax imposed by this chapter on the receipt of the
31	transported gasoline was charged and collected by the parties; and
32	(2) under the circumstances described in section 205 of this
33	chapter.
34	(c) Every person included within the terms of section 606(c) of this
35	chapter who transports gasoline in a vehicle upon the highways of
36	Indiana for purposes other than use and consumption by that person
37	may not, on the journey carrying that gasoline to points outside Indiana,
38	make delivery of that fuel to any person in Indiana.
39	(d) Every transporter of gasoline included within the terms of
40	section 606(a) and section 606(c) of this chapter who transports
41	gasoline upon the highways of Indiana for purposes other than use and

consumption by that person shall at the time of registration and on an

42

annual basis list with the administrator a description of all vehicles,
including the vehicles' license numbers, to be used on the highways of
Indiana in transporting gasoline from:
(1) points outside Indiana to points inside Indiana; and
(2) points inside Indiana to points outside Indiana.
(e) The description that subsection (d) requires shall contain the
information that is reasonably required by the administrator including
the carrying capacity of the vehicle. When the vehicle is a
tractor-trailer type, the trailer is the vehicle to be described. When
additional vehicles are placed in service or when a vehicle previously
listed is retired from service during the year, the administrator shall be
notified within ten (10) days of the change so that the listing of the
vehicles may be kept accurate.
(f) A distributor's or an Indiana transportation license is required for
a person or the person's agent acting in the person's behalf to operate
a vehicle for the purpose of delivering gasoline within the boundaries
of Indiana when the vehicle has a total tank capacity of at least eight
hundred fifty (850) gallons.
(g) The operator of a vehicle to which this section applies shall at all
times when engaged in the transporting of gasoline on the highways
have with the vehicle an invoice or manifest showing the origin,
quantity, nature, and destination of the gasoline that is being
transported.
(h) The department shall provide for relief if a shipment of
gasoline is legitimately diverted from the represented destination
state after the shipping paper has been issued by a terminal
operator or if a terminal operator failed to cause proper
information to be printed on the shipping paper. Provisions for
relief under this subsection:
(1) must require that the shipper or its agent provide
notification to the department before a diversion or correction
if an intended diversion or correction is to occur; and
(2) must be consistent with the refund provisions of this
chapter.
SECTION 35. IC 6-6-2.5-35 IS AMENDED TO READ AS
FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 35. (a) The tax on
special fuel received by a licensed supplier in Indiana that is imposed

by section 28 of this chapter shall be collected and remitted to the state

by the supplier who receives taxable gallons in accordance with

(b) On or before the fifteenth day of each month, licensed suppliers

and licensed permissive suppliers shall make an estimated payment of

subsection (b).

all taxes imposed on transactions that occurred during the previous calendar month equal to:

- (1) one hundred percent (100%) of the amount remitted by the licensed supplier or licensed permissive supplier for the month preceding the previous calendar month; or
- (2) ninety-five percent (95%) of the amount actually due and payable by the licensed supplier or licensed permissive supplier for the previous month.

Any remaining tax imposed on transactions occurring during a calendar month shall be due and payable on or before the twentieth day of the following month, except as provided in subsection (i). Underpayments of estimated taxes due and owing the department are not subject to a penalty under section 63(a) of this chapter.

- (c) A supplier who sells special fuel shall collect from the purchaser the special fuel tax imposed under section 28 of this chapter. At the election of an eligible purchaser, the seller shall not require a payment of special fuel tax from the purchaser at a time that is earlier than the date on which the tax is required to be remitted by the supplier under subsection (b). This election shall be subject to a condition that the eligible purchaser's remittances of all amounts of tax due the seller shall be paid by electronic funds transfer on or before the due date of the remittance by the supplier to the department, and the eligible purchaser's election under this subsection may be terminated by the seller if the eligible purchaser does not make timely payments to the seller as required by this subsection.
- (d) As used in this section, "eligible purchaser" means a person who has authority from the department to make the election under subsection (c) and includes every person who is licensed and in good standing as a special fuel dealer or special fuel user, as determined by the department, as of July 1, 1993, who has purchased a minimum of two hundred forty thousand (240,000) taxable gallons of special fuel each year in the preceding two (2) years, or who otherwise meets the financial responsibility and bonding requirements of subsection (e).
- (e) Each purchaser that desires to make an election under subsection (c) shall present evidence of the purchaser's eligible purchaser status to the purchaser's seller. The department shall determine whether the purchaser is an eligible purchaser. The department may require a purchaser that pays the tax to a supplier to file with the department a surety bond payable to the state, upon which the purchaser is the obligor or other financial security, in an amount satisfactory to the department. The department may require that the bond indemnify the department against bad debt deductions claimed by the supplier under

2.8

subsection (g).

2.8

(f) The department shall have the authority to rescind a purchaser's eligibility and election to defer special fuel tax remittances upon a showing of good cause, including failure to make timely payment under subsection (c), by sending written notice to all suppliers and eligible purchasers. The department may require further assurance of the purchaser's financial responsibility, or may increase the bond requirement for that purchaser, or any other action that the department may require to ensure remittance of the special fuel tax.

(g) In computing the amount of special fuel tax due, the supplier and permissive supplier shall be entitled to a deduction from the tax payable the amount of tax paid by the supplier that has become uncollectible from a purchaser. The department shall adopt rules establishing the evidence a supplier must provide to receive the deduction. The deduction shall be claimed on the first return following the date of the failure of the purchaser if the payment remains unpaid as of the filing date of that return or the deduction shall be disallowed. The claim shall identify the defaulting purchaser and any tax liability that remains unpaid. If a purchaser fails to make a timely payment of the amount of tax due, the supplier's deduction shall be limited to the amount due from the purchaser, plus any tax that accrues from that purchaser for a period of ten (10) days following the date of failure to pay. No additional deduction shall be allowed until the department has authorized the purchaser to make a new election under subsection (e). The department may require the deduction to be reported in the same manner as prescribed in Section 166 of the Internal Revenue Code.

- (h) The supplier and each reseller of special fuel is considered to be a collection agent for this state with respect to that special fuel tax, which shall be set out on all invoices and billings as a separate line item.
- (i) Except as provided in subsection (e), the tax imposed by section 28 of this chapter on special fuel imported from another state shall be paid by the licensed importer who has imported the nonexempt special fuel not later than three (3) business days after the earlier of:
  - (1) the time that the nonexempt special fuel entered into Indiana.
  - (2) the time that a valid import verification number was assigned by the department under rules and procedures adopted by the department.

However, if the importer and the importer's reseller have previously entered into a tax precollection agreement as described in subsection (j), and the agreement remains in effect, the supplier with whom the

agreement has been made shall become jointly liable with the importer for the tax and shall remit the tax to the department on behalf of the importer. This subsection does not apply to an importer with respect to imports in vehicles with a capacity of not more than five thousand four hundred (5,400) gallons.

(i) The department, a licensed importer, the reseller to a licensed importer, and a licensed supplier or permissive supplier may jointly enter into an agreement for the licensed supplier or permissive supplier to precollect and remit the tax imposed by this chapter with respect to special fuel imported from a terminal outside of Indiana in the same manner and at the same time as the tax would arise and be paid under this chapter if the special fuel had been received by the licensed supplier or permissive supplier at a terminal in Indiana. If the supplier is also the importer, the agreement shall be entered into between the supplier and the department. However, any licensed supplier or permissive supplier may make an election with the department to treat all out-of-state terminal removals with an Indiana destination as shown on the terminal-issued shipping paper as if the removals were received by the supplier in Indiana pursuant to section 28 of this chapter and subsection (a), for all purposes. In this case, the election and notice of the election to a supplier's customers shall operate instead of a three (3) party precollection agreement. The department may impose requirements reasonably necessary for the enforcement of this subsection.

(k) Each licensed importer who is liable for the tax imposed by this chapter on nonexempt special fuel imported by a fuel transport truck having less than five thousand four hundred (5,400) gallons capacity, for which tax has not previously been paid to a supplier, shall remit the special fuel tax for the preceding month's import activities with the importer's monthly report of activities. A licensed importer shall be allowed to retain two-thirds (2/3) of the collection allowance provided for in section 37(a) of this chapter for the tax timely remitted by the importer directly to the state, subject to the same pass through provided for in section 37(a) of this chapter.

(1) A licensed importer shall be allowed to retain two-thirds (2/3) of the amount allowed in section 37(a) of this chapter of the tax timely remitted by the licensed importer directly to the state, subject to the same pass through provided for in section 37(a) of this chapter.

SECTION 36. IC 6-6-2.5-41 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 41. (a) Each supplier engaged in business in Indiana as a supplier shall first obtain a supplier's license. The fee for a supplier's license shall be five hundred

2.8

dollars (\$500).

2.8

- (b) Any person who desires to collect the tax imposed by this chapter as a supplier and who meets the definition of a permissive supplier may obtain a permissive supplier's license. Application for or possession of a permissive supplier's license shall not in itself subject the applicant or licensee to the jurisdiction of Indiana for any other purpose than administration and enforcement of this chapter. The fee for a permissive supplier's license is fifty dollars (\$50).
- (c) Each terminal operator other than a supplier licensed under subsection (a) engaged in business in Indiana as a terminal operator shall first obtain a terminal operator's license for each terminal site. The fee for a terminal operator's license is three hundred dollars (\$300).
- (d) Each exporter engaged in business in Indiana as an exporter shall first obtain an exporter's license. However, in order to obtain a license to export special fuel from Indiana to another specified state, a person shall be licensed either to collect and remit special fuel taxes or be licensed to deal in tax free special fuel in that other specified state of destination. The fee for an exporter's license is two hundred dollars (\$200).
- (e) Each person who is not licensed as a supplier shall obtain a transporter's license before transporting special fuel by whatever manner from a point outside Indiana to a point inside Indiana, or from a point inside Indiana to a point outside Indiana, regardless of whether the person is engaged for hire in interstate commerce or for hire in intrastate commerce. The registration fee for a transporter's license is fifty dollars (\$50).
- (f) Each person who wishes to cause special fuel to be delivered into Indiana on the person's own behalf, for the person's own account, or for resale to an Indiana purchaser, from another state in a fuel transport vehicle having a capacity of more than five thousand four hundred (5,400) gallons, or in a pipeline or barge shipment into storage facilities other than a qualified terminal, shall first make an application for and obtain an importer's license. The fee for an importer's license is two hundred dollars (\$200). This subsection does not apply to a person who imports special fuel that is exempt because the special fuel has been dyed or marked, or both, in accordance with section 31 of this chapter. This subsection does not apply to a person who imports nonexempt special fuels meeting the following conditions:
  - (1) The special fuel is subject to one (1) or more tax precollection agreements with suppliers as provided in section 35 of this chapter.

1	(2) The special fuel tax precollection by the supplier is expressly	
2	evidenced on the terminal-issued shipping paper as specifically	
3	provided in section 62(e)(2) of this chapter.	
4	(g) A person desiring to import special fuel to an Indiana destination	
5	who does not enter into an agreement to prepay Indiana special fuel tax	
6	to a supplier or permissive supplier under section 35 of this chapter on	
7	the imports must do the following:	
8	(1) obtain a valid license under subsection (f).	
9	(2) Obtain an import verification number from the department not	
10	earlier than twenty-four (24) hours before entering the state with	
11	each import, if importing in a vehicle with a capacity of more than	
12	five thousand four hundred (5,400) gallons.	
13	(3) Display a proper import verification number on the shipping	
14	document, if importing in a vehicle with a capacity of more than	
15	five thousand four hundred (5,400) gallons.	
16	(h) The department may require a person that wants to blend special	
17	fuel to first obtain a license from the department. The department may	
18	establish reasonable requirements for the proper enforcement of this	
19	subsection, including the following:	
20	(1) Guidelines under which a person may be required to obtain a	
21	license.	
22	(2) A requirement that a licensee file reports in the form and	
23	manner required by the department.	
24	(3) A requirement that a licensee meet the bonding requirements	
25	specified by the department.	
26	(i) The department may require a person that:	
27	(1) is subject to the special fuel tax under this chapter;	
28	(2) qualifies for a federal diesel fuel tax exemption under Section	
29	4082 of the Internal Revenue Code; and	
30	(3) is purchasing red dyed low sulfur diesel fuel;	
31	to register with the department as a dyed fuel user. The department may	
32	establish reasonable requirements for the proper enforcement of this	
33	subsection, including guidelines under which a person may be required	
34	to register and the form and manner of reports a registrant is required	
35	to file.	
36	SECTION 37. IC 6-6-2.5-62 IS AMENDED TO READ AS	
37	FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 62. (a) No person shall	
38	import, sell, use, deliver, or store in Indiana special fuel in bulk as to	
39	which dye or a marker, or both, has not been added in accordance with	
40	section 31 of this chapter, or as to which the tax imposed by this	
41	chapter has not been paid to or accrued by a licensed supplier or	

licensed permissive supplier as shown by a notation on a

42

1	terminal-issued shipping paper subject to the following exceptions:
2	(1) A supplier shall be exempt from this provision with respect to
3	special fuel manufactured in Indiana or imported by pipeline or
4	waterborne barge and stored within a terminal in Indiana.
5	(2) An end user shall be exempt from this provision with respect
6	to special fuel in a vehicle supply tank when the fuel was placed
7	in the vehicle supply tank outside of Indiana.
8	(3) A licensed importer, and transporter operating on the
9	importer's behalf, that transports in vehicles with a capacity of
10	more than five thousand four hundred (5,400) gallons, shall be
11	exempt from this prohibition if the importer or the transporter has
12	met all of the following conditions:
13	(A) The importer or the transporter before entering onto the
14	highways of Indiana has obtained an import verification
15	number from the department not earlier than twenty-four (24)
16	hours before entering Indiana.
17	(B) The import verification number must be set out
18	prominently and indelibly on the face of each copy of the
19	terminal-issued shipping paper carried on board the transport
20	truck.
21	(C) (A) The terminal origin and the importer's name and
22	address must be set out prominently on the face of each copy
23	of the terminal-issued shipping paper.
24	(D) (B) The terminal-issued shipping paper data otherwise
25	required by this chapter is present.
26	(E) (C) All tax imposed by this chapter with respect to
27	previously requested import verification number activity
28	(before the repeal of requirements related to import
29	verification numbers) on the account of the importer or the
30	transporter has been timely remitted.
31	In every case, a transporter acting in good faith is entitled to rely upon
32	representations made to the transporter by the fuel supplier or importer
33	and when acting in good faith is not liable for the negligence or
34	malfeasance of another person. A person who knowingly violates or
35	knowingly aids and abets another person in violating this subsection
36	commits a Class D felony.
37	(b) No person shall export special fuel from Indiana unless that
38	person has obtained an exporter's license or a supplier's license or has
39	paid the destination state special fuel tax to the supplier and can
40	demonstrate proof of export in the form of a destination state bill of
41	lading. A person who knowingly violates or knowingly aids and abets

another person in violating this subsection commits a Class D felony.

42

56
(c) No person shall operate or maintain a motor vehicle on any public highway in Indiana with special fuel contained in the fuel supply tank for the motor vehicle that contains dye or a marker, or both, as provided under section 31 of this chapter. This provision does not apply to persons operating motor vehicles that have received fuel into their fuel tanks outside of Indiana in a jurisdiction that permits introduction of dyed or marked, or both, special fuel of that color and type into the motor fuel tank of highway vehicles or to a person that qualifies for the federal fuel tax exemption under Section 4082 of the Internal Revenue Code and that is registered with the department as a dyed fuel user. A person who knowingly:
<ul><li>(1) violates; or</li><li>(2) aids and abets another person in violating;</li></ul>
this subsection commits a Class A infraction. However, the violation is a Class A misdemeanor if the person has committed one (1) prior unrelated violation of this subsection, and a Class D felony if the person has committed more than one (1) prior unrelated violation of
this subsection.  (d) No person shall engage in any business activity in Indiana as to
which a license is required by section 41 of this chapter unless the person shall have first obtained the license. A person who knowingly
violates or knowingly aids and abets another person in violating this subsection commits a Class D felony.

- (e) No person shall operate a motor vehicle with a capacity of more than five thousand four hundred (5,400) gallons that is engaged in the shipment of special fuel on the public highways of Indiana and that is destined for a delivery point in Indiana, as shown on the terminal-issued shipping papers, without having on board a terminal-issued shipping paper indicating with respect to any special fuel purchased:
  - (1) under claim of exempt use, a notation describing the load or the appropriate portion of the load as Indiana tax exempt special fuel;
  - (2) if not purchased under a claim of exempt use, a notation describing the load or the appropriate portion thereof as Indiana taxed or pretaxed special fuel; or

29	(C) is otherwise in compliance with this subsection.
30	A person may not manipulate the dye or marker concentration of a
31	special fuel or the coloration of special fuel after the special fuel is
32	removed from a terminal or refinery rack for sale or use in Indiana. A
33	person who knowingly violates or aids and abets another person to
34	violate this subsection commits a Class D felony.
35	(h) This subsection does not apply to a person that receives blended

41	(1) violates; or

(2) aids and abets another to violate;

42

1	this subsection commits a Class D felony.

11	to the tax an amount equal to the tax the person evaded or attempted to
12	evade.
13	(b) The department shall impose a civil penalty of one thousand
14	dollars (\$1,000) for a person's first occurrence of transporting special
15	fuel without adequate shipping papers as required under sections 40,
16	41(g), and 62(e) of this chapter, unless the person shall have complied
17	with rules adopted under IC 4-22-2. Each subsequent occurrence
18	described in this subsection is subject to a civil penalty of five thousand
19	dollars (\$5,000).
20	(c) The department shall impose a civil penalty on the operator of

37	special fuel tax in addition to the tax due.
38	(e) The department may impose a civil penalty of one thousand
39	dollars (\$1,000) for each occurrence against every terminal operator
40	that fails to meet shipping paper issuance requirements under section
41	40 of this chapter.
42	(f) Each importer or transporter who knowingly imports undyed or

1	unmarked special fuel, or both, in a transport truck without:
2	(1) a valid importer license;
3	(2) a supplier license;
4	(3) an import verification number, if transporting in a vehicle with
5	a capacity of more than five thousand four hundred (5,400)
6	<del>gallons;</del> or
7	(4) (3) a shipping paper showing on the paper's face as required
8	under this chapter that Indiana special fuel tax is not due;
9	is subject to a civil penalty of ten thousand dollars (\$10,000) for each

1	(g) This subsection does not apply to a person if section 62(g) of this
2	chapter does not apply to the person. A:
.3	(1) person that manipulates the dye or marker concentration of
4	special fuel or the coloration of special fuel after the special fuel
.5	is removed from a terminal or refinery rack for sale or use in
6	Indiana; and
7	(2) person that receives the special fuel;
. 8	are jointly and severally liable for the special fuel tax due on the
9	portion of untaxed fuel plus a penalty equal to the greater of one

27	SECTION 39. IC 6-6-2.5-65 IS AMENDED TO READ AS
28	FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 65. (a) If a person is
29	found operating a motor vehicle in violation of section 40(b), 40(c), or
0	62(e) of this chapter, the vehicle and its cargo is subject to
31	impoundment, seizure, and subsequent sale, in accordance with
32	IC 6-8.1. The failure of the operator of a motor vehicle to have
33	on-board when loaded a terminal-issued bill of lading with a
34	destination state machine printed on its face or which fails to meet the
35	descriptive annotation requirements in section $40(b) \frac{41(g)(2)}{41(g)(3)}$ ,

37	evidence of a violation sufficient to warrant impoundment and seizure
8	of the vehicle and its cargo.
9	(b) After a person:
10	(1) is found in violation of section 62(c) of this chapter; and
1	(2) pays the tax due to the state;
12	the department shall issue a release to the person. The release must

permit the dyed or marked special fuel, or both, that is the subject of the violation to be consumed on Indiana public highways within a grace period of twenty-four (24) hours after the time that the release is issued. After the grace period expires, the person shall be considered in violation of section 62(c) of this chapter if the person or the person's agent operates or maintains the same motor vehicle on an Indiana public highway with special fuel containing dye or a marker, or both.

SECTION 40. IC 6-6-4.1-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 12. (a) Except as authorized under section 13 of this chapter, a carrier may operate a commercial motor vehicle upon the highways in Indiana only if the carrier has been issued an annual permit, cab card, and emblem under this section.

- (b) The department shall issue:
  - (1) an annual permit; and

2.8

- (2) a cab card and an emblem for each commercial motor vehicle that will be operated by the carrier upon the highways in Indiana; to a carrier who applies for an annual permit and pays to the department an annual permit fee of twenty-five dollars (\$25) not later than September 1 of the year before the annual permit is effective under subsection (c).
- (c) The annual permit, cab card, and emblem are effective from January 1 of each year through December 31 of the same year. The department may extend the expiration date of the annual permit, cab card, and emblem for no more than sixty (60) days. The annual permit, each cab card, and each emblem issued to a carrier remain the property of this state and may be suspended or revoked by the department for any violation of this chapter or of the rules concerning this chapter adopted by the department under IC 4-22-2.
- (d) As evidence of compliance with this section, and for the purpose of enforcement, a carrier shall display on each commercial motor vehicle an emblem when the vehicle is being operated by the carrier in Indiana. The carrier shall affix the emblem to the vehicle in the location designated by the department. The carrier shall display in each vehicle the cab card issued by the department. The carrier shall retain the original annual permit at the address shown on the annual permit. During the month of December, the carrier shall display the cab card and emblem that are valid through December 31 or a full year cab card and emblem issued to the carrier for the ensuing twelve (12) months. If the department grants an extension of the expiration date, the carrier shall continue to display the cab card and emblem upon which the extension was granted.

- (e) If a commercial motor vehicle is operated by more than one (1) carrier, as evidence of compliance with this section and for purposes of enforcement each carrier shall display in the commercial motor vehicle a reproduced copy of the carrier's annual permit when the vehicle is being operated by the carrier in Indiana.

  (f) A person who fails to display an emblem required by this section
- (f) A person who fails to display an emblem required by this section on a commercial motor vehicle, does not have proof in the vehicle that the annual permit has been obtained, and operates that vehicle on an Indiana highway commits a Class C infraction. Each day of operation without an emblem constitutes a separate infraction. Notwithstanding IC 34-28-5-4, a judgment of not less than one hundred dollars (\$100) shall be entered for each Class C infraction under this subsection.
- (g) A person who displays an altered, false, or fictitious cab card required by this section in a commercial motor vehicle, does not have proof in the vehicle that the annual permit has been obtained, and operates that vehicle on an Indiana highway commits a Class C infraction. Each day of operation with an altered, false, or fictitious cab card constitutes a separate infraction.
- SECTION 41. IC 6-6-4.1-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13. (a) A carrier may, in lieu of paying the tax imposed under this chapter that would otherwise result from the operation of a particular commercial motor vehicle, obtain from the department a trip permit authorizing the carrier to operate the commercial motor vehicle for a period of five (5) consecutive days. The department shall specify the beginning and ending days on the face of the permit. The fee for a trip permit for each commercial motor vehicle is fifty dollars (\$50). The report otherwise required under section 10 of this chapter is not required with respect to a vehicle for which a trip permit has been issued under this subsection.
- (b) The department may issue a temporary written authorization if unforeseen or uncertain circumstances require operations by a carrier of a commercial motor vehicle for which neither a trip permit described in subsection (a) nor an annual permit described in section 12 of this chapter has been obtained. A temporary authorization may be issued only if the department finds that undue hardship would result if operation under a temporary authorization were prohibited. A carrier who receives a temporary authorization shall:
  - (1) pay the trip permit fee at the time the temporary authorization is issued; or
  - (2) subsequently apply for and obtain an annual permit.
- (c) A carrier may obtain an International Fuel Tax Agreement (IFTA) repair and maintenance permit to:

2	of the carrier's motor vehicles, semitrailers (as defined in
3	IC 9-13-2-164), or trailers (as defined in IC 9-13-2-184); and
4	(2) return to the same state after the repair or maintenance is
5	completed.
6	The permit allows the travel described in this section. In addition to any
7	other fee established in this chapter, and instead of paying the quarterly
8	motor fuel tax imposed under this chapter, a carrier may pay an annual
9	IFTA repair and maintenance fee of forty dollars (\$40) and receive an
10	IFTA annual repair and maintenance permit. The IFTA annual repair
11	and maintenance permit and fee applies to all of the motor vehicles
12	operated by a carrier. The IFTA annual repair and maintenance permit
13	is not transferable to another carrier. A carrier may not carry cargo or
14	passengers under the IFTA annual repair and maintenance permit. All
15	fees collected under this subsection shall be deposited in the motor
16	carrier regulation fund (IC 8-2.1-23). The report otherwise required
17	under section 10 of this chapter is not required with respect to a motor
18	vehicle that is operated under an IFTA annual repair and maintenance
19	permit.
20	(d) A carrier may obtain an International Registration Plan (IRP)
21	repair and maintenance permit to:
22	(1) travel from another state into Indiana to repair or maintain any
23	of the carrier's motor vehicles, semitrailers (as defined in
24	IC 9-13-2-164), or trailers (as defined in IC 9-13-2-184); and
25	(2) return to the same state after the repair or maintenance is

The permit allows the travel described in this section. In addition to any other fee established in this chapter, and instead of paying apportioned or temporary IRP fees under IC 9-18-2 or IC 9-18-7, a carrier may pay an annual IRP repair and maintenance fee of forty dollars (\$40) and receive an IRP annual repair and maintenance permit. The IRP annual repair and maintenance permit and fee applies to all of the motor vehicles operated by a carrier. The IRP annual repair and maintenance permit is not transferable to another carrier. A carrier may not carry cargo or passengers under the IRP annual repair and maintenance permit. All fees collected under this subsection shall be deposited in the motor carrier regulation fund (IC 8-2.1-23).

- (e) A person may obtain a repair and maintenance permit to:
  - (1) move an unregistered off-road vehicle from a quarry to a maintenance or repair facility; and
  - (2) return the unregistered off-road vehicle to its place of origin.

13	permit is not transferable to another carrier. A carrier may not carry
14	cargo or transport or draw a semitrailer or other vehicle under the
15	permit. A carrier may operate a yard tractor under the permit instead of
16	paying the tax imposed under this chapter. A yard tractor that is being
17	operated on a public highway under this subsection must display a
18	license plate issued under IC 9-18-32. As used in this section, "yard
19	tractor" has the meaning set forth under IC 9-13-2-201.

24	(2) the display in commercial motor vehicles of evidence of
25	compliance with this chapter.

28	SECTION 44. IC 6-6-5.5-19 IS AMENDED TO READ AS
29	FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]:
30	Sec. 19. (a) As used in this section, "assessed value" means an amount
31	equal to the true tax value of commercial vehicles that:
32	(1) are subject to the commercial vehicle excise tax under this
33	chapter; and
34	(2) would have been subject to assessment as personal property
35	on March 1, 2000, under the law in effect before January 1, 2000.
36	(b) For calendar year 2001, a taxing unit's base revenue shall be
37	determined as provided in subsection (f). For calendar years that begin
38	after December 31, 2001, and before January 1, 2009, a taxing unit's
39	base revenue shall be determined by multiplying the previous year's
40	base revenue by one hundred five percent (105%). For calendar years
41	that begin after December 31, 2008, a taxing unit's base revenue is

equal to:

1	(1) the amount of commercial vehicle excise tax collected
2	during the previous state fiscal year; multiplied by
3	(2) the taxing unit's percentage as determined in subsection (f)
4	for calendar year 2001.
5	(c) The amount of commercial vehicle excise tax distributed to the
6	taxing units of Indiana from the commercial vehicle excise tax fund
7	shall be determined in the manner provided in this section. On or
8	before June 1, 2000, each township assessor of a county shall deliver
9 10	to the county assessor a list that states by taxing district the total
	assessed value as shown on the information returns filed with the
11	assessor on or before May 15, 2000.
12	(d) On or before July 1, 2000, each county assessor shall certify to
13	the county auditor the assessed value of commercial vehicles in every
14	taxing district.
15	(e) On or before August 1, 2000, the county auditor shall certify the following to the department of local government finance:
16	
17	<ul><li>(1) The total assessed value of commercial vehicles in the county.</li><li>(2) The total assessed value of commercial vehicles in each taxing</li></ul>
18	district of the county.
19	•
20	(f) The department of local government finance shall determine
21	each taxing unit's base revenue by applying the current tax rate for each
22	taxing district to the certified assessed value from each taxing district.
23 24	The department of local government finance shall also determine the following:
25	(1) The total amount of base revenue to be distributed from the
26	commercial vehicle excise tax fund in 2001 to all taxing units in
27	Indiana.
28	(2) The total amount of base revenue to be distributed from the
29	commercial vehicle excise tax fund in 2001 to all taxing units in
30	each county.
31	(3) Each county's total distribution percentage. A county's total
32	distribution percentage shall be determined by dividing the total
33	amount of base revenue to be distributed in 2001 to all taxing
34	units in the county by the total base revenue to be distributed
35	statewide.
36	(4) Each taxing unit's distribution percentage. A taxing unit's
37	distribution percentage shall be determined by dividing each
38	taxing unit's base revenue by the total amount of base revenue to
39	be distributed in 2001 to all taxing units in the county.
40	(g) The department of local government finance shall certify each
41	taxing unit's base revenue and distribution percentage for calendar year
42	2001 to the auditor of state on or before September 1, 2000.

1	(h) The auditor of state shall keep permanent records of each taxing	
2	unit's base revenue and distribution percentage for calendar year 2001	
3	for purposes of determining the amount of money each taxing unit in	
4	Indiana is entitled to receive in calendar years that begin after	
5	December 31, 2001.
